Studier / Studies

Här kommer ni som studenter kunna sköta en stor del av era studieadministrativa ärenden.

Studier

Nedanstående tjänster erbjuds via Studier:

- Registrering
- Studieuppehåll
- Val av kurs
- Adressändring

De tjänster som idag finns tillgängliga i Studentportalen kommer framöver att bli tillgängliga i Lisam. Om det skulle uppstå problem finns funktionerna kvar i **Studentportalen** under en övergångsperiod.

Here you'll be able to conduct most of your study administrative matters.

Studies

The following services are provided by Studies:

- Registration
- Study break
- Course choice
- Change of address

The services currently available in the Student Portal will henceforth be available in Lisam.

The services provided are available through **Studentportalen** during the transition period.

Undervisning / Teachings

Välkommen till den nya tjänsten *Undervisning*!

Undervisning är utformad för att du som anställd lättare ska hitta till de kursrum som är mest aktuella för dig. Till skillnad från listan *Mina kurser* kan du här påverka som visas i listan, i vilken ordning samt vilka kolumner som ska synas.

Gå till *Undervisning*

Denna informationssida kommer att visas så länge *Undervisning* är ny. Därefter kommer du att komma direkt till tjänsten via länken i menyn. [Läs mer om hur du](#)

Welcome to the new *Teachings* feature!

The *Teachings* feature is designed to help employees find the course rooms that are most relevant. Unlike *My courses* you can change most of the settings in *Teachings* are listed, in which order, and which columns are visible.

Go to *Teachings*

This introduction page will be displayed as long as *Teachings* is new. After that, you will get directly to *Teachings* from the link in the menu. [You can read more about the new](#) pages via [About Lisam](#).
